Ryan Brauer did fantastically well last year with success at the the Aussie Millions, The All Africa Poker Tournament and at the WSOP by winning the Bellagio Cup III Tournament. He scooped \$153,345.000; A truly eye watering amount! Hot on the heels of this success was yet another 1st place at the Sun City Headsup Tournament in September. Brauer is also a commentator on the All Africa Poker Channel on DSTV, and these wins have proved that he certainly knows what he is talking about! Who knows what's in store for Ryan Brauer in 2008, but we certainly wish him all the luck in the world. His achievements to date are summarized below.
